ANDERSON DOWNED OPPONENTS AGAIN

GAFFNEY LOST A SECOND TO HOME BOYS

SCORE WAS 7 TO 5

Third Game of the Opening Series Will Be Played This Afternoon

Gaffney, June 26.—Anderson captured the second game here this afternoon by a score of seven to five. For the first four innings the visitors had it all their way, piling up the seven tallies which won the game.

The first inning resulted in goose eggs for each side; in the second Anderson secured four runs and in the third one.

Gaffney made one run in the third; in the fourth the visitors completed their scoring by sending two men around the circuit.

Gaffney scored once in the sixth and three times in the eighth. Denfields of the locals robbed Tolison of a safe hit in the seventh when he caught a long fly to left.

The game was fast and snappy although a number of errors were made on each side.

HERE NEXT WEEK
The Anderson club comes home next week for the first series at Buena Vista park.

Anderson has a good club and the locals will give a good account of themselves. In the first series with Greenville it is squarely up to Anderson to lend every possible aid.

A proposition is now on foot to close all the business houses of the city at 4 o'clock Monday afternoon and Porter A. Whaley, president of the Anderson club, will call on the merchants today and make that request. Get behind the Anderson team and let's keep baseball alive!

GREENVILLE LOST THE SECOND GAME

SPARTANS WON YESTERDAY WITH ROUND DOZEN RUNS

STOUCHITES SLOW

The Game Was Devoid of Interesting Features—Losers Circled Bases For 9 Tallies

Greenville, June 26.—Manager Martin's Spartans again downed the Greenville team in a slow and drawn out game here this afternoon. The score was 12 to 9.

Jeffries' catching proved the only redeeming feature of the game so far as the local club was concerned. Greenville used two pitchers, Cook Griffin relieving Jenkin, after the game was lost.

Spartanburg has now won both games of the series and the final match will be played here Saturday afternoon. A big Saturday attendance is expected.

President Whaley of the Anderson club last night authorized the statement that the Anderson club would give a season ticket free to the Anderson lady sending in the most appropriate suggestion for a name for the Anderson team. The "Electricians" was a good name in his day but that day has passed and another name is needed. The only stipulations are that the suggestions must all be in by Monday night and announcement of the winner will be made Tuesday. Send all suggestions to the Sporting Editor, The Intelligencer, Anderson, S. C.

Anderson signed a new pitcher yesterday and he will work in the second game here with Greenville pitching Tuesday afternoon.

Gaffney has a better team than either of Greenville or Spartanburg, and Anderson has a better team than Gaffney. Two and two make four, what town wins the rag?

It is up to Anderson to give the "home-folks" a royal welcome when they appear at Buena Vista Park next Monday. That club deserves support and the Anderson fans must furnish it.

Well, we can manage to make out with just three from Gaffney.

"Tommie" Stouch and his Greenville club have a very unpleasant experience in store for them next week. With two already lost to Spartanburg, it will go pretty hard with Stouch to drop two more or possibly three in Anderson.

Manager "Tommie" Stouch

Succeeded in Organizing The Piedmont League, But His Club Hasn't Come Strong Yet

BUNT'S

Those who saw the two games at Gaffney say that Anderson has the best team in the league. That is reasonable at least.

"Dank" Belue, who was yanked out of the box by Gaffney in the fourth inning yesterday, once held the strike-out record in the Florida State League. However, they didn't grow hitter like ours down there.

Red Childers got three hits out of four times yesterday. Since Red has struck his stride we play a few of these pitchers around the circuit.

Anderson fans will have to hand it to "Pet" Robinson, when they see him work here Monday against Greenville. Gaffney will have to take about ten years to get over their experience with him Thursday.

For a pitcher to hand up the article of ball, Robinson does and then to slam the ball 20 feet over the fence while the bases are full is the fan's idea of "some" pitcher.

Most go a little hard with the president of the league to see his home town so roundly handled twice in succession. And that's not all—there is another game today.

One thing can be said for Gaffney. The town is dead game and they are determined to show a thing or two.

McCall is just about the classiest first sacker yet brought to these parts. They all look up to him and he knows just when to smother the pill when he hits.

President Whaley got more fun out of the first two games than both the teams combined.

When Gene Fred Funston Burnett arrives in Gaffney today the natives over there will know that somebody has swum to town.

If Gaffney gets three hits off Chick Watson today it will be a surprise to every one—Gaffney included.

Milwood, who is doing the receiving for Anderson will bear watching and that is no joke. Smashing fouls off the grandstand is his specialty.

MORAN PREPARED BY SEVERE TESTS FOR FIGHT TODAY

(By Associated Press.)

Paris, June 26.—Jack Johnson, the world's champion heavyweight pugilist and Frank Moran, of Pittsburgh, who hope to wrest the title from the big Galvaston negro, were early to bed tonight in their training quarters for a restful sleep before the twenty-round battle in the amphitheatre of the Velodrome d'iver tomorrow night.

Each man declared himself physically fit for the fray and each was highly optimistic that victory would rest with him. Experts who have watched them closely while in training, bore out the assertion of the fighters that they were well prepared for the battle.

Moran had only light exercise this morning and immediately he came on into the city for an examination by physicians, who declared him to be physically perfect.

Johnson did his usual morning run on the road. Afterwards he rode into Paris in a 12-v automobile to cash a check. Entering the bank, he was surprised to meet an old acquaintance, an attorney from his home town in Texas, to whom he declared he never war in better condition. This afternoon before a large crowd in his gymnasium, Johnson donned the gloves with his trainers. He took on successively three boxers for several rounds each and also went through part of his regular indoor exercises.

Everybody in Moran's camp was cheerful tonight and confident that he would win the championship. Their confidence, they said, was due to the constant improvement Moran had shown during his training. In ability to take punishment, Moran's test has been a severe one.

William Lewis, American middleweight, who has been helping to condition Moran, to toughen the challenger, recently has been making Moran stand with his hands at his sides and with legs braced while Lewis rained blows to the point of the face trying to knock him down. As a result of this training Moran will enter the ring tomorrow with facial scars left there by the hard punches of his sparring partners.

Johnson has trained assiduously. He began his work two weeks earlier than Moran and has been careful not to overdo it. As in his preparation for fights in the United States, Johnson has not missed anything from his opponent's camp that he might use to advantage. Seemingly he has made up his mind as to the tactics he will use in the ring tomorrow night. He said today, however, he was prepared to adapt himself to the tactics of Moran.

Under the rules, hitting in clinches will be permissible and Johnson believes his abilities in upcutting and in fighting will give him an advantage over Moran.

In the betting tonight Johnson remained a three to one favorite.

LEGALIZE FIGHTING
Louisiana Bill Provides Extension of Fistic Fights to 20 Rounds. (By Associated Press.)

Baton Rouge, La., June 6.—Twenty round decision boxing bouts will be legalized in Louisiana under the terms of the Hagahan bill, which today passed the Senate with but one dissenting vote. It had previously passed the House by a vote of 70 to 1. Governor Hall has not indicated that he will veto the measure.

Under present statutes only ten round, no decision bouts, could be held in the State.

The new law while authorizing championship matches, stipulates that they must be held only under the auspices of an athletic club and the various municipalities of the State are given large latitude in regulating the bouts held within their jurisdiction.

Cobb Jumping Is Piffle.
Detroit, June 26.—"All this talk of 'Cobb going over to the Federal League is piffle," said Frank J. Navin, president of the Detroit American League Baseball Club today with reference to the reports that Cobb is dissatisfied with the local conditions.

"To prove his loyalty to me this year he signed a two year's contract when he could have merely signed for one year and watch developments in the Federal league."

Struck Out 21.
Charlotte, N. C., June 26.—Bob Covington, the 17 year old Laurinburg amateur who has been offered several chances to pitch for teams in the Carolina League, today in his home town struck out twenty-one batsmen of the McCall, S. C. team, allowed no hits and won his game, 2 to 0. Covington's reason for declining to play professional ball is that he intends to enter college and does not want to be barred from intercollegiate athletics. Last year he won sixteen straight games.
